

You can help *Rabbit Meadows* find homes for many homeless animals this year – with a donation to our 6th Annual Silent Auction & Dinner!

Since 1996 we have been caring for small companion animals while they wait to find a home of their own. Food, veterinary care, toys and love all come standard to the animals in our care as they while away the hours in our quiet, sunny shelter. In addition to adoption & boarding services, every year we respond to hundreds of phone calls and emails from people needing advice and education about the small animals they love. We can't do all this without your help!

There is no other shelter like ours! In fact, nearly all of the small animals we take in each year come from other shelters that simply don't have the resources to care for their special needs.

On **Saturday May 19th**, Rusty Pelican Café in Wallingford will, for the 6th year, host an early dinner and auction to support the lifesaving work of Rabbit Meadows. You can be a part of this party to help the animals with a donation of an item, a service or an experience for the auction. Please help us raise money for the animals and promote your business at the same time! The item you donate will appear with your or your business name & web page address in our auction catalog and everyone attending will have a chance to see your item and pick up your business card or brochure.

Thank you for help us to care for the animals while they wait for *Some Bunny* to love them forever!

Sincerely,

Sandi Ackerman
