

"You're nobody 'til some BUNNY LOVES YOU!"

You can help the Best Little Rabbit, Rodent & Ferret House **find homes for hundreds of homeless animals** this year – with a donation to our **Spring Auction!**

Since 1996 The Best Little Rabbit, Rodent & Ferret House has been caring for small companion animals while they wait to find a home of their own. Good food, veterinary care, toys and love all come standard to the animals in our care as they while away the hours in our quiet, sunny shelter. In addition to adoption services, every year we respond to hundreds of phone calls and emails from people needing advice and education about the small animals they love.

There is no other shelter like ours! In fact, nearly all of the animals we take in each year come from other shelters that simply don't have the resources to care for their special needs! **We can't do all this without your help.**

On **Saturday, April 21st** the Rusty Pelican in Wallingford will host an early dinner and auction to support the lifesaving work of the Best Little Rabbit, Rodent & Ferret House. You can be a part of this party to help the animals with a donation of an item or experience for the auction. **Help raise money for the animals and promote your business at the same time!** The item you donate will appear with your business' name in the auction catalog and everyone attending will have a chance to see your item and pick up your business card or brochure.

Thank you for helping us care for the animals while they wait for some BUNNY to love them forever!

Sincerely,

Kristin Fraser, *Auction Chair*
